

# **RED PARK EQUESTRIAN CENTRE**

## **Etiquette for Working Livery/D.I.Y Livery Clients**

### **The Yard**

- You are welcome to use a stable. Use one with no name on it or one in the stone barn. Remove all droppings, sweep the stable/yard area when you have finished.
- Leave wheelbarrows EMPTY and fork the muck up onto the heap in the trailer
- Do NOT feed haylage on the floor in the yard
- Feed titbits in a bucket or on the floor – hand feeding encourages the horses to bite
- Do NOT Feed other peoples horses without the owners consent.
- You are strongly advised to wear Riding helmet/body protector/ gloves at all times when handling horses
- Children 14 and under must be supervised at all times
- Please take your rubbish home with you
- Stable doors must be kept shut at all times even when empty to prevent accidents
- Please do NOT use other peoples horse feed and equipment
- The Blue tub by the main tap is for horses drinking water and MUST be kept clean
- Water at the yard is metered - use it carefully to keep our overheads down
- Brush the ponies thoroughly underneath their saddle/girth to prevent sores
- Please clean you ponies tack from time to time
- Please leave the toilet clean and tidy
- Working Livery clients – the pony you loan is for your use only – no other riders are permitted without prior permission

### **The Arena**

- All droppings must be removed IMMEDIATELY, please put the droppings in a barrow and on the muck heap NOT over the arena fence
- Lunging may only take place when no one is riding/wanting to ride
- Instruction only to be given by our own instructors. Unless by prior arrangement
- Please leave the arena as you find it
- Please warm up and cool the ponies down properly
- Do NOT joyride the ponies – treat them with the love and respect they deserve – make life fun for your pony – vary what you do!

- Observe the rules of the arena – pass other riders left hand to left hand, halt and walk on the inside track if there are other riders present. Halt if a rider falls off. Be alert to prevent accidents
